Petition tabled by Mr. Glen Abernethy on October 27, 2009

Response by the Honourable Floyd Roland

Minister Responsible for the Northwest Territories Power Corporation

Privatization or Merger of the NWT Power Corporation

Any proposed privatization of a government-owned utility would require legislation to be passed by the Legislative Assembly and any plan to close a public utility facility or to reduce utility service levels would have to be addressed by all Members of the Legislative Assembly through the business plans and the Main Estimates process.
