L'honorable Nick G. Sibbeston

NORTHWEST TERRITORIES

March 1, 2011

The Hon. Sandy Lee
Minister of Health and Social Services
Government of the Northwest Territories
P.O. Box 1320
Yellowknife, NT X1A 2L9

Dear Sandy,

I write further to my letter of October 15, 2010 and thank you for your response dated November 17, 2010.

I am writing in support of Margaret Leishman of Kakisa. Ms. Leishman is requesting an inquiry and investigation into the events leading to her son Allisdair's injury and subsequent care at Stanton Regional Hospital on November 4, 2009. As a result of a traumatic brain injury, Allisdair now requires 24 hour care, seven days per week which puts an immense burden on Ms. Leishman and her family.

I strongly support Ms. Leishman's requests that an inquiry and investigation into this matter be conducted.

Thank you for your consideration.

Sincerely,

Nick Sibbeston

Sandy, Please do what you can for Margaret.
