Oral Question: 199-18(2): Allocation of Lottery Proceeds

During the June 9, 2016 sitting of the Legislative Assembly, I committed to exploring consultation options on the allocation of the proceeds of the Western Canada Lottery Program.

As a first step, consultations on the use of the proceeds of the Western Canada Lottery Program will occur as part of the Ministerial Forum for sport and recreation organizations scheduled for August 19, 2016. Additionally, consultations will occur through the required review process related to any proposed legislation introduced in the Assembly.

Thank you for your interest in this topic and raising this important issue.
